CHARLES EDWARD MARTIN III

)

Defendant,

Notice of Defendant's Complaint

On June 28, 2019 at approximately 12:20 am Foreign agent Cody Hyde #912 stopped CHARLES MARTIN III. When officer Hyde approached Mr. Martin's passenger side window, Martin had his phone out recording the incident because he was concerned of his safety. I asked him was he on his oath to verify he is a foreign agent. He immediately became irate and yelled roll down the window. I could hear him just fine and I asked him again "are you on your oath?" he yelled rolled down your window so I cracked it for him and said I can hear you, are you on your oath? He asked for my driver's license and I asked what the reason for the stop is. He said I was doing 74 in a 70-speed zone. My cruise control was set at 68, I passed two officers on the side of the road prior to passing his vehicle that had huge construction lights that was blinding traffic as we passed. There was an eighteen-wheeler that slowed to 58 that I went around to realize that he was slowing down due to the construction lights that was on trooper Hyde's vehicle.

I asked officer Hyde again, what is the reason for the stop and he stated that my plates aren't readable from his vehicle. I informed the officer that they are perfectly clear and visibly placed. I asked him again, are you under oath? And he stated, "so you are not going to give me your license?" I asked are you on your oath and he

walked off and came back with foreign agent Clint Craft #487 and Daran Koch #919. Now with the other two officers on my driver side of the window, he made another request for my license and stated that if I declined that he would arrest me for obstructing a police officer. I asked him again, "are you on your oath?" He instructed officer Craft to break my window to gain access. I told him "no, no, no" and opened my door and placed my hands in the air. They all rushed me and threw me to the ground, put their knees on my back and foot on my neck and drug me to their vehicle while yelling stop resisting when I was not resisting. The excessive force that was used caused an abrasion on my face and chest. When I was placed in the vehicle, officer Hyde accused me of stealing the vehicle and took my phone as evidence and stated that I was recording a crime.
